December 2009

If anyone for a moment thought the Members of our Club were short of ingenuity, talent, enthusiasm, generosity or skills then they would be confounded by the response we have had towards the celebrations for the 125th year of the Cresta Run. All these attributes are being amply demonstrated and, together with our friends in St Moritz, in the Kurverein, the Tourist Board, the hoteliers and many others in the Engadin, we are shaping up well for an excellent season.

Thanks to the Ambassador, HE Alexis Lautenberg, the Press Launch was held at the Swiss Embassy in London. It was well attended with selected journalists and writers and we anticipate a good deal of coverage emphasising the link between Town and Run. The London Lift-Off, with a large number of American and Continental Members attending, was a wonderful start to our celebrations with the first "One-Two-Five" Firework and the premiere of Ryan Larraman's evocative 125 video.

Primarily a sporting Club, we are not shy of having fun off the Run. As the rest of this letter explains there are a lot of events concentrated in 'The Week' from the 6th to the 14th February when riding will be restricted to Members and their families. The rest of the season is probably an excellent time for Members and others to begin and perfect their skills. As the notes below show, there is great demand for the social events and some are already over-subscribed, so those who have not polished their planning and organisational skills are advised to head to the Junction Hut of their working life and fill in all the forms that have been so lovingly designed by Harriet and the organisers.

At the Committee Meeting held last month in London we unanimously elected Martin Berthod an Honorary Member of the St Moritz Tobogganing Club. Martin has looked after our interests with patience, tact, efficiency and enormous dedication for several decades – and the Cresta is only one of his many responsibilities. It is fitting in the year that we celebrate not only 125 years of the Cresta Run but our links with St.Moritz and the Engadin that Martin should be honoured by the Club.

I know that people are anxious to know how much the various events will cost and to apply for their tickets. To this end, an application form is enclosed, which should be returned to the office at the Kulm Hotel. It is also possible to complete an application on line and email it direct from the 125 website ([www.thecresta125.com](http://www.thecresta125.com)). You can find contact details for tickets, the Clubhouse and the Kulm office overleaf.

Our ice cold, white, silent Run awaits us.
